Pony Point House Candles® and Stow Creek Soap Shop

137 Pony Road - Bridgeton, NJ 08302 • Phone **856-455-9331** **E-MAIL-US-AT** • mail@ponypointcandles.com

FYI: Our soybean vegetable wax is home grown by US farmers, burns 50% longer than paraffin and is soap and water cleanup. We use all natural cotton wicks and our candles are environmentally clean and safe. Our cold process soap is hand-stirred, cured in wooden molds and hand-cut. We only use plant life oils of olive, coconut and other vegetable based ingredients. Essential oils and organic botanicals vary.
